v.

HEIDI ERICKSON

NOTICE OF POTENTIALLY EXCULPATORY EVIDENCE

I, Joseph Eisenstadt, along with Suffolk County District Attorney's Office Investigator Cornell Mills, met with Dr. Marvelyn Motamed on 04/08/05. Dr. Motamed stated that, based on her observations of the live felines seized as a result of this case, she could not testify as to whether they had been mistreated or not. She stated that some of the symptoms she observed could have been consistent with mistreatment, but not necessarily.

Respectfully Submitted,
For the Commonwealth
